

MULTI BAGGER PEER TO VIP INDS - HIDDEN POTENTIAL

Highlights:

Tainwala Chemicals and Plastics Limited is Flagship Company of Tainwala group. The primarily activities of the company are manufacturing plastic sheets and securities trading. Now, the company is more of an investment firm. The contribution to the revenue of the company, by investments, is increasing year on year. The company has around 8.88% stake in Samsonite South Asia Pvt. Ltd. (Samsonite India) (2009-10 data) and have majority stake of Periwinkle Fashion Pvt. Ltd. Due to such investments, the company is getting huge dividend income which is completely forming the profits for the company.

The dividend income from the companies is expected to grow in future due to increasing funds inflows from Samsonite Group to Periwinkle and strengthening business of Samsonite India due to growing luggage market of India.

Why buying Tainwala Chemicals' stock is interesting?

Stake in Samsonite South Asia Pvt. Ltd.:

Tainwala Chemicals holds around 8.88% stake in Samsonite South Asia Pvt. Ltd which is a 60-40 joint venture between Samsonite International and Tainwala Group for operations in Asian market. The dividend income from Samsonite South Asia mainly forms the profits for the company.

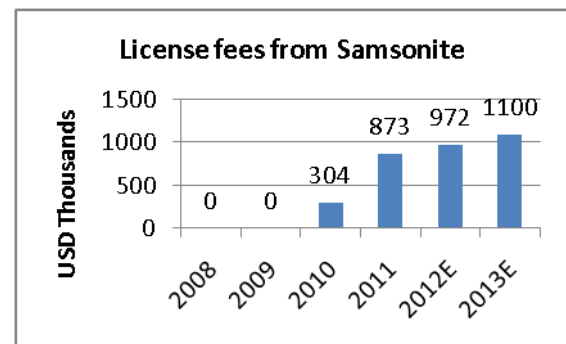

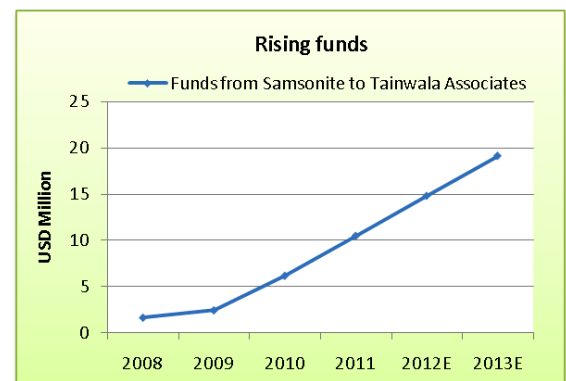

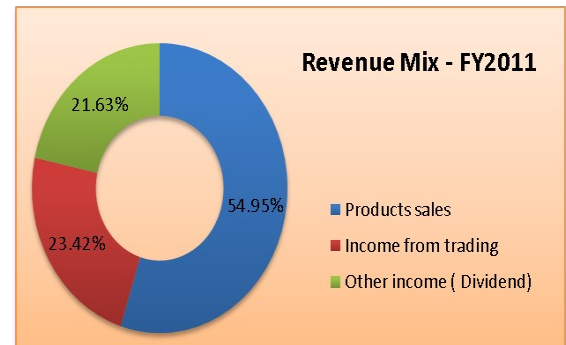

If an investor is investing in Tainwala Chemicals, he is indirectly investing in the Samsonite South Asia Pvt. Ltd. In CY2010, Samsonite South Asia Pvt. Ltd has posted Sales turnover of Rs 650 Crores and net profits of Rs 72 Crores. Assuming the given stake, the Tainwala Chemicals' revenue goes up by Rs 57.72 crores and net profits by Rs 6.31 crores. With 3x of the sales the market capitalization comes around Rs 173 crores. Given the number of equity shares of Tainwala Chemicals i.e. 9363863, we arrive at the valuation of Rs 184 per share if company sells its stake in near future.

In the above valuation calculation, we have not considered the other investments done by Tainwala Chemicals such as Periwinkle Fashion Pvt Ltd. in which it has around 17500 equity shares and Samtain. We have also not considered the current operating performance of the company which is improving. Considering the above facts the valuation of the company goes far ahead.

Periwinkle is one of the Tainwala associates company in which Tainwala Chemicals have around 17500 paid up equity shares (Annual report 2009-10). The transactions between Periwinkle and Samsonite Group show an increasing funds inflow to the Periwinkle from Samsonite. Subsequently, the dividend income of the company will increase.
